Building on a fine tradition of race walking, 71 years in the making.

Club Co-Captain Alex Bradley now WA Bronze Referee

Australian Athletics has welcomed 29 new international referees to its growing list of World Athletics technical officials.

The youngest member of the new cohort is 19-year-old Brisbane university student Alex Bradley who joins his mother Liz who became a Bronze Referee last year. Runner and Masters race walker Roisin O'Dwyer-Mazur is also among the 12 Queenslanders in the list of successful referees.

"We are delighted that so many of our volunteer officials from around the country are successfully exploring the international education and qualification pathways available to them," CEO Simon Hollingsworth said. "It's important that the quality and integrity of all our World Ranking Competitions and Road Races can be maintained through the presence of an ever-expanding group of World Athletics recognised officials. "And what's also great is that the list includes a healthy number of officials from regional competition home-bases as well as our key metropolitan venues."

Congratulations to Alex.

Blue Cards

As part of our legal obligations and a condition of our affiliation with QA we must maintain a current Blue Card register. We have a duty to be fully aware of exactly who is coaching or providing services to our members, particularly when those members include children or young people under 18.

Equally important is ensuring that every coach or provider engaged in child-related activities holds a current and valid Blue Card, as required under Queensland legislation.

Our club will continue to ensure that we are meeting our duty of care and fulfilling and our legal obligations under the Working with Children (Risk Management and Screening) Act 2000. [Individuals requiring a blue card | Your rights, crime and the law | Queensland Government.](#)
