

ARE YOU A COMMUNITY SPORTS COACH OF YOUNG MEN BETWEEN THE AGES OF 12 AND 25?

Researchers at the University of Wollongong (Australia) are creating a coach development program to support coaches of young men in community sports.

We are inviting coaches (18+) from Australia and the United Kingdom to share their insights and help shape the development of this program by completing an anonymous 15-minute survey.

Upon completion of the survey, you will be offered the chance to enter a draw to win a \$50 AUD/£25 GBP voucher.
